

Ideation Phase

Empathize & Discover

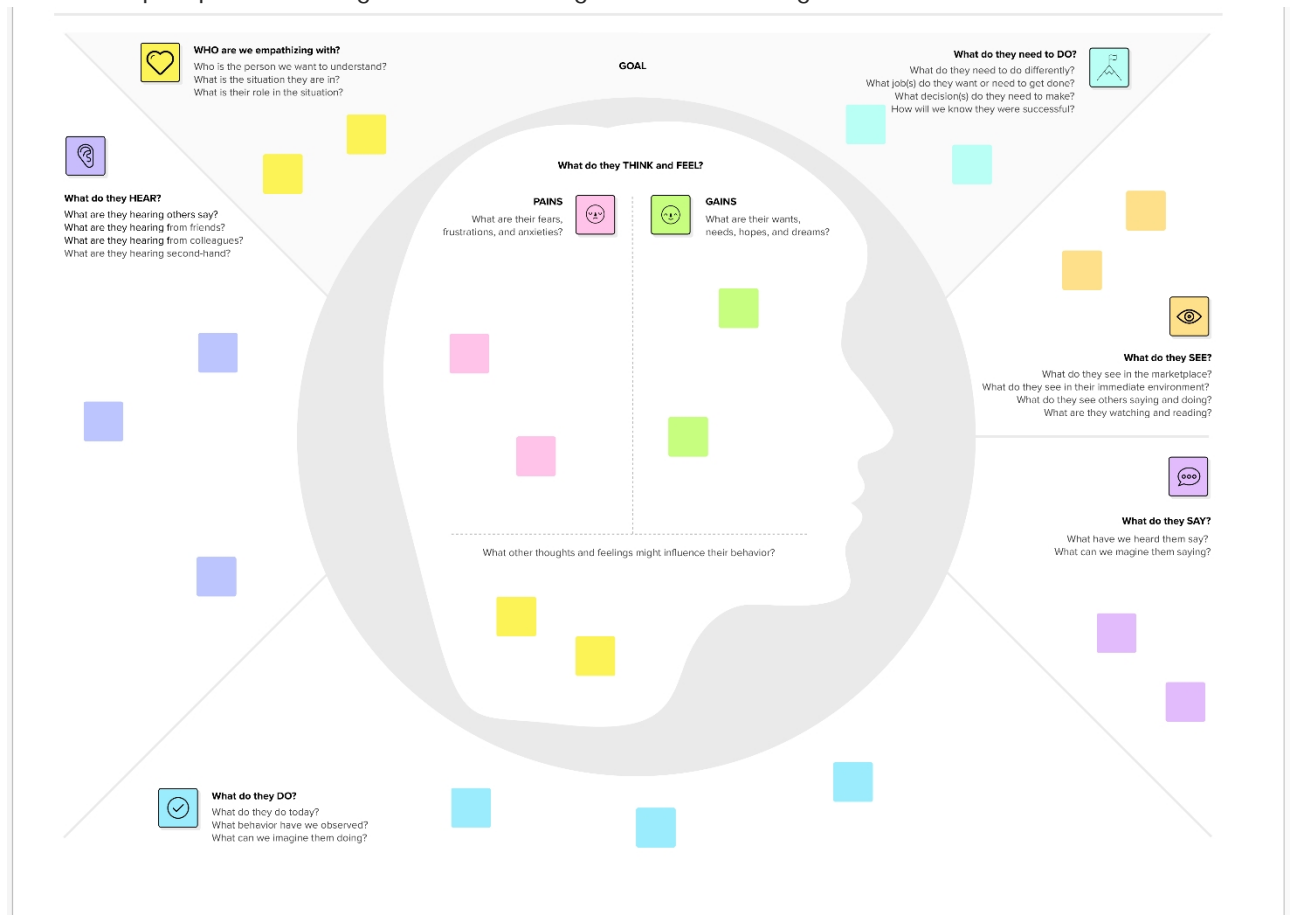

Date	15 th October 2023
Team ID	PN2023TMID593074
Project Name	Arming Against Violence - Yolo-Based Weapon Detection
Maximum Marks	4

Empathy Map Canvas:

An empathy map is a simple, easy-to-digest visual that captures knowledge about a user's behaviors and attitudes.

It is a useful tool to help teams better understand their users.

Creating an effective solution requires understanding the true problem and the person who is experiencing it. The exercise of creating the map helps participants consider things from the user's perspective along with his or her goals and challenges.
